

Information

This Christmas Musical has a variety of roles where kids can “Plug in”. Whether your child chooses to try out for a special role and is singing in the Choir or your child is part of the Chorus, everyone makes a performance sparkle and shine. Each child plays a role in what will make the musical a success touching people’s hearts with the Love of God. Each child involved will be a light in the darkness. And a lot of small lights make one BIG light that can shine on the path to God’s love. So let your kids know that each of them has the opportunity to bring His light this Christmas season!

- If your child chooses to **audition for acting, singing, or dancing**, please fill out the Registration Form and check the Auditions box and the Choir box. They will also be required to be part of the Choir and make the Choir Rehearsals on Sunday mornings. The Auditions will take place on Monday August 15 at 5:30 at Harderwyk. (1st-8th graders). Please email Julie Potter: potterjulie0@gmail.com for your audition time. Please refer to the Acting Roles page on the website for production roles.
- We will need a strong Choir to make this musical happen. If your child is in 1st-8th grade and is willing to be a **part of the Choir** please complete the Registration Form and check the Choir box. They do not need to have a part in the musical to be part of Choir. They will need to attend the rehearsals on Sunday mornings.
- If your Child is Kindergarten and up they can be **part of the Chorus**, we would love to have them join us. You will need to play the CD of songs to them so they are familiar with them before the dress Rehearsal on December 3. Please fill out a Registration Form and check the Chorus box. We will contact you with information regarding the musical and attire. Your child is required to attend the Saturday December 3 dress rehearsal.
