

HARDERWYK MINISTRIES Mission Team Application

This application will help us determine how to best use the gifts God has given you, and to strive to provide you with a life-changing spiritual journey as you step out of your comfort zone.

The requirements for our mission teams are:

- **Humility** - remembering it's about the people and not about us and our own needs. We're part of a team and working for the greater good of God's purposes; His desire, through us, to advance His Kingdom.
- **A servants heart** - there is no job we are too good for and our time on the mission trip is to be spent interacting with others and serving them. You'll be working hard and getting dirty!
- **Flexibility** - to be responsive and respectful to the changing needs/schedules as we remember we are guests in a new culture. Our way is not always the best way.
- **Accountability** - remembering that your service means submitting to the direction of the leadership of the mission team and the missionaries.
- **Commitment** - to participate fully in the pre-trip planning meetings.
- **Willingness** - to assume full responsibility for the cost of the trip and to participate with team fundraising, making every effort to help reduce each individual's trip cost.

**Please fill out and return with a \$100 "good faith" deposit.
