Introducing...

Trynette Brondyke, RN, LMSW, PN

Tryn is excited to be a part of developing the Faith Community Nursing Ministry here at Harderwyk. She comes with years of experience as a Registered Nurse, has a Master's Degree in Social Work with a specialty in Gerontology, and is a Faith Community Nurse through Calvin College.

She most recently served as the Faith Community Nurse at Calvin CRC, a Social Worker at Rest Haven, and had her own private practice of Counseling and Care Management.

Tryn will be working to develop a team of nurses (one from each worshipping community) in an effort to foster physical, emotional, spiritual, and social harmony for those within our communities and surrounding neighborhood.
