

THE WAYNERS

2015 WE STARTED TO THINK AND PRAY ABOUT HAVING A RUNWAY & HANGAR ON OUR PROPERTY! WHAT A GREAT WAY TO SERVE THE LORD WITH OUR GIFTS & TALENTS

Looking back! Looking at today and looking ahead!

Looking back at almost 49 years of marriage, what an adventure it has been. What a faithful God we serve! And you, His family coming along side of us along our amazing journey, helping to make impossible possible. Arriving in Alaska in April of 2013 not knowing what doors the Lord would open for

us. Now we see this chapter more clearly. Praise the Lord, He's not finished with us yet. The hangar is about 80% complete and the 2600 ft runway about 50% complete. we serve the people of Alaska through Alaska Inreach into remote areas, through

aviation, maintenance support and Bible camps for kids.

There is also a one bedroom apartment in the hangar for small work teams and visitors who want to help or to see Alaska's beauty.

We are truly, Blessed to be a Blessing!

Shout joyful praises to God, all the earth!

Psalm 66

Ephesians 3:14-31

“Shout joyful praises to God, all the Earth! Sing about the glory of His name! Tell the world how glorious He is! Say to God “ How awesome are your deeds! Everything on earth will worship you, they will sing your praises, shouting your name in glorious songs. Come and see what our God has done, what awesome miracles He does for His people! Come, let us rejoice in who He is. For by His great power He rules forever. He watches every movement of the nations. Let the whole world bless our God and sing aloud His praises. Our lives are in His hands, and He keeps our feet from stumbling.”

This psalm blessed us this morning! Our lives have been a testimony of the truth of this psalm and you have been a part of it through, relationships and friendships, through your love and prayers and through the finances you entrust us with. Our hearts are overflowing as we look back at our time in South Africa with Mercy Air and as the Lord has us in this new chapter, still under Mercy Air but serving in Alaska. A dear friend, who moved to Israel, was asked don't you want to go back America. She said, “ I do not allow myself to look back and miss what was, it robs us of joy in the present! I am thankful for the wonderful life that I lived and I am even more thankful for my life now, because I am living in what God has promised!” We loved living in South Africa it was good and it was God but now He has us here in Alaska to serve people here. What a privilege to be in the center of God's well, thankful for the past, savoring the present and anticipating what God has for the future!

Current update in our lives is mostly about the hangar project., estimated cost of the hangar / runway project is about \$225,000. We were blessed with a very low interest loan of \$125,000. for four years. What an amazing gift, it reminded us of the no interest loan we received for Mercy Air of \$378,000. for 4 years to pay for the Mercy Air farm. Another couple blessed us with \$50,000. love gift, no pay back. We are both humbled and amazed at the Lord's faithfulness through His family. We continue to trust the Lord for our own monthly personally support and the ability to pay off the loan and raise the balance of the funds needed. for the hangar project. It is always a bit overwhelming until the Lord reminds us as well of the purchases for Mercy Air of 4 fixed wing airplanes, and two helicopters plus the 200 acre farm with a runway & hangars, and the houses for staff and apartments for guests. The hangar project in Alaska is different in that we owe it personally. The hangar is dedicated to missions and doing the Lord's work as we serve people. We would love to share with you personally what the Lord is doing where we live, and in remote Alaska. Please come and visit. Like Ron always says “A picture is worth and thousand words but a visit is worth a thousand pictures”.

Alaska InReach's aircraft will soon be based here instead of out in the weather 22 miles away.

THE APARTMENT STILL NEEDS FLOORING, CUPBOARDS, APPLIANCES & BEDS. I FOUND A HIDEAWAY BED AT A THRIFT SHOP FOR \$130. IT LOOKS BRAND NEW! COME VISIT!

RON BUILT THE HANGER DOOR 55' BY 14.5' IN DECEMBER. IT WAS A HUGE JOB! WE WERE BLESSED WITH A MILD DECEMBER WITH NO WIND. HE ALSO BUILT THE STEPS FOR THE APARTMENT. THE RUNWAY PHOTO WAS TAKEN FROM THE STEPS! WHAT A BLESSING! PTL!

Alaska is 2x the size of Texas with and 93% has no road access.

Keep
shining for
Jesus!

Love,
Ron & Barb
